**LOCAL BUSINESS SPOTLIGHTED IN NEW MOM INVENTORS HANDBOOK,  
AS A REAL WORLD EXAMPLE OF ENTREPRENEURIAL SUCCESS**

**Annette d. Giacomazzi of CastCoverz! in Hollister  
featured in highly anticipated national book release**

Hollister, CA March 31, 2014 – Annette d. Giacomazzi, owner of CastCoverz!, [www.castcoverz.com](http://www.castcoverz.com), is pleased to announce her inclusion in the national release of *The Mom Inventors Handbook; How to Turn Your Great Idea Into the Next Big Thing (Expanded Second Edition, McGraw Hill Publisher)*, by Tamara Monosoff, best-selling author and founder of Mom Inventors, Inc.

This definitive guide for product entrepreneurs is jam-packed with step-by-step advice for taking an idea to market – covering the latest, most innovative ways to create, fund, market, distribute and sell. Having created a product solution and effectively taken it to market, Ms. Giacomazzi offers personal resources and true insider tips on how others can do the same. “The entrepreneurial experience is constantly evolving. With so many innovative resources and tools available today, I’m thrilled to share my story about developing and launching my business, CastCoverz!, and help others succeed through Tamara’s book, the revised and expanded 2<sup>nd</sup> edition of *The Mom Inventors Handbook*.” CastCoverz! manufactures covers for casts, braces, splints, and walking boots for orthopedic patients of all ages. CastCoverz! has 21 branded product lines, which include designer slings, crutches, and crutch pads, and is a top distributor for an additional 5 products.

Thousands of entrepreneurs like Ms. Giacomazzi have successfully followed Monosoff’s advice to entrepreneurial success. Now, this expanded second edition includes updated information on product research and patent searches, crowdfunding, microloans, angel investors, in-depth coverage of video marketing, alternative sales channels like Groupon and Living Social, and much more.

“Nearly every aspect of the process of developing and launching a new product has changed in unimaginable ways since my first book launched nearly a decade ago,” says author Tamara Monosoff. “From the boom of social media to new options in funding and creative ways to distribute products, it’s truly a whole new world for entrepreneurs. I’m thrilled to update readers on the smart tools and incredible new resources to help them succeed today.” Giacomazzi added, “There is no substitute for expert guidance and learning from the experiences shared by others who have led the way.”

*The Mom Inventors Handbook: How to Turn Your Great Idea into The Next Big Thing* is available April 1, 2014 in stores and online wherever books are sold. To celebrate the launch of the book, readers can forward their book receipts to [JourneyOn@TamaraMonosoff.com](mailto:JourneyOn@TamaraMonosoff.com) and they will receive a complimentary digital copy of The Ultimate Product Launch Companion Workbook for Entrepreneurs during the month of April. You can purchase a copy of the book through Amazon or Ms. Giacomazzi’s website, [www.castcoverz.com](http://www.castcoverz.com).
